

When

Office Hours:

For our Summer office hours, give us a holler at (310) 289-9400 for updated dates and times or drop us an e-mail at [info\(at\)hollywoodos.com](mailto:info(at)hollywoodos.com).

Bring:

Photos if you need them scanned and uploaded for your profile.

Dress:

If you are coming in specifically for us to take your picture, please do NOT wear the color white, as your photo will be taken against a white backdrop. Be sure to dress in your most marketable look! Ultimately, casting directors prefer the photos WE take of you. They are what you really look like. (Our reputation is on the line if you don't really look like your airbrushed photos from 1989.)
