

Why Use?

At your fingertips is one of the largest online casting systems available to you, 24/7! We have thousands of REAL people, background actors, kids, stand-in's, photo doubles, look-a-likes, cars and pets of all shapes, sizes, types, ages, abilities and ethnicities at your disposal.

You will be able to peruse our search engine to find specific characteristics, attributes or capabilities. From everyday business looks to unique character types, you can effortlessly find and immediately cast even the most unusual of background roles.

Qualified casting directors can use Hollywood OS® in the following ways:

- Profile your casting information
- Post casting notices
- Review submissions
- Build shopping carts of talent
- Search the talent database
- Promote open calls or meets and greets
- Mass contact thousands of professional talent and new faces

Since 1997, the efficiency of the Hollywood OS® website has single-handedly changed the way casting is done. No more sorting through stacks of headshots, no more hard copy files, no more messengering over packages at the last minute. Whatever type of talent you need, for whatever type of project, find them in seconds!

If you are casting a project and need immediate access, there are three ways to set up your account.

- Phone (310) 289-9400
- E-mail
- Fill out the application form directly online by clicking [here](#).

If you complete the form online, a member of our staff will contact you with your log-in information.

If you are specifically an extras casting director, please tell us about your company so we can publish your information in our best selling extras casting directories, "EXTRA" WORK for Brain Surgeons® and KIDS' ACTING for Brain Surgeons®.

Thank you for your interest in Hollywood OS®!
