

Post Your Project!

If you are casting a project and would like immediate access to search for talent or post a casting notice, there are 3 ways to set up your casting account:

- Call us directly at 310.289.9400
- E-mail
- Fill out the online application below (the most efficient way to get started)!

Skip anything that does not apply. Once you complete and submit the form, a member of our staff will contact you shortly with your Hollywood OS® account access.
